

Quran Translations

You can download Quran translations available on [Tanzil](#) from this page.

Disclaimer

No translation of Quran can be a hundred percent accurate, nor it can be used as a replacement of the Quran text. We have tried to provide a set of mostly acceptable quran translations here, but we cannot guarantee their authenticity and/or accuracy. Please use them at your own discretion.

Terms of Use

The translations provided at this page are for non-commercial purposes only. If used otherwise, you need to obtain necessary permission from the translator or the publisher.

If you are using more than three of the following translations in a website or application, we require you to put a link back to [this page](#) to make sure that subsequent users have access to the latest updates.

Redistributing the following list in another website is not allowed, unless direct permission is granted by the Tanzil Project.
