Important note: It is noteworthy that no matter how accurate any translation of the meanings of the Qur'an may be, it will still fall short in conveying the transcendent meanings of the miraculous Qur'anic text, and that the meanings conveyed by this translation is only the product reached by the extent of the team's knowledge in understanding this Sacred Book. Hence, this translation cannot be error-free, as is the case with any human endeavor. Should you have any remarks or recommendations concerning the translation, please do not hesitate to write in the comment box next to each verse on the website, or send us an email via: info@quranenc.com
